

Brad Harris, Missouri Dept of Natural Resources

Brad Harris is Unit Chief of the Meth/Special Projects Unit with the Missouri Department of Natural Resources' Environmental Emergency Response Section. He works as a State On-Scene-Coordinator during hazardous materials emergencies throughout the state.

Brad has been involved with the development and management of the State of Missouri's Clandestine Drug Lab Collection Station Program since it's creation in 1998. He also is the Co-Chair of the Missouri Methamphetamine Enforcement and Environmental Protection Task Force.

Brad has been with the Department of Natural Resources for over 16 years.
